

AT TANGANYIKA TREKKERS we strive to make your safari not just another holiday, but a life changing experience. An essential part of the safari, are the camps/lodges you will be a guest of. During your safari your camp/lodge becomes your “home” after a long day of sightseeing. Tanganyika Trekkers tented camps offer you settings where you can relax, unwind, have refreshing drinks freshly squeezed by our waiters, or sit in front of your tent and enjoy an African sunset with a sun downer. Your home away from home becomes a comfortable base from which you start and retire from your daily excursions. With the Luxury Safari itinerary we combine classic safari camps with luxury lodges. This is our flagship tour conducted by our most senior guides and accommodations are at the best lodges and camps.

CONSCORP HOTELS AND LODGES

As one of the leading hotel brands in Africa, Conscorp offers superb hideaways with the highest level of luxury. With lodges in some of the most beautiful and tranquil locations found in Tanzania, Conservation Corporation Africa offers guests a truly exceptional experience in each hotel or camp.

A representative of Tanganyika Trekkers will meet you upon arrival at Kilimanjaro International Airport. You will then be transferred to a lodge nestled between the slopes of Mount Meru and Mount Kilimanjaro for dinner and overnight accommodations.

Day 1

Your safari begins as you drive out of Arusha and head west towards Tarangire National Park through Masailand. As we approach the eastern boundary of Tarangire National Park we veer southward into the Lolikisale Game Controlled Area where our luxury camp is located.

After a Pan-African lunch, your guide will take you to some of the Ndorobo hideouts. Ndorobo is a tribe of hunter gatherers who live in dug out trees and subsist on very basic foods. After visiting this fascinating tribe, you proceed with a game drive to a lookout hill. At the peak of this hill, you will be served sun downers and chilled wine later returning to our exclusive luxury

camp where your first night will be spent.

These camps are exclusive luxury camps with en suite bathrooms, hot showers, your own personal staff, chef and other fine amenities. Lolikisale Tanganyika Trekkers Luxury Camp is nestled on boundary hill overlooking a huge grass plain. With an open fire place, one can relax and enjoy the sights and sounds

that surround you.

Day 2

Your professional guide will escort you on a full day game drive in Tarangire National Park. A picnic lunch will be enjoyed in Tarangire.

As the day comes to a close, we will head back to Lolkisale Luxury Camp.

Day 3

We will depart from Lolkisale after breakfast and head toward Lake Manyara National Park. We will spend the entire day exploring the beauty of this magnificent park and will enjoy a prepared lunch at one of the picnic sites.

As evening approaches we will proceed to Conscorp Lake Manyara Tree Lodge which is located on the southern part of the park in the ancient mahogany forest. The lodge comprises of ten treehouse suites built on stilts with elegant rooms and contemporary furnishings. This camp is the perfect place to unwind and rejuvenate your soul, true to the Conscorp standard.

Day 4

You will enjoy a morning game drive, generally be conducted along the lake shore. As temperatures start to increase, we will proceed to the northern part of the park where the hippo pool is located. Most animals will be found in that area drinking water and staying cool.

We will then enjoy a lunch prepared at the lodge and will spend the afternoon relaxing by the swimming pool or enjoying the crafts centre. The interactive kitchen allows guests to observe the preparation of delicious Pan-African cuisine which later can be enjoyed in the theatrical boma, on dining decks.

Day 5

We will depart from this lodge in the morning and ascend the steep ridge of the Rift Valley to Ngorongoro. This transfer generally takes no more than 4 hours and the drive is mainly on a blacktop road. It is only at the last hour where we will be on a dirt road as we enter the conservation area. Upon arrival, guests will enjoy refreshments and lunch at the lodge.

Ngorongoro Crater Lodge is nestled in Montane Forest at the edges of the crater rim. Here you will be able to indulge yourself in a lifestyle of luxury and comfort at one of the most prestigious safari lodges. This lodge offers first class service with incomparable comfort. Each suite has a private deck, en suite bathroom and fireplace. This lodge is the recipient of the

Conde Nast – Top New Hotel of the World.

Guests will be able to spend the afternoon, unwinding at the lodge by sitting on the decks and enjoying the peace and serenity over a cocktail or herbal tea.

Day 6

At around 8 am we will drive into the crater using the Seneto descent into the Ngorongoro Crater Conservation Area. The crater creates a beautiful and unique area, which teems with wildlife and ancient volcanoes. The routes we will use in the crater will depend on the animal movement. We try and drive around the major swamps and springs which are Gorigor and Mandusi swamps and Ngoitokitok spring. Apart from the array of wildlife, you will also visit the ruins of a German Colonial Farmhouse, which was built in the early 1900's.

Lunch will be enjoyed within the crater and as evening approaches we will ascend the crater rim using the Leraï ascent road returning to the lodge.

Day 7

After a Continental or Classic English breakfast we leave the highlands of the Rift Valley and descend onto the endless plains of the Serengeti via Olduvai. The drive to Olduvai should only take two hours. Upon arrival you will visit the Olduvai Museum, which is accompanied by a detailed explanation of the sights you will view in order to achieve a better understanding of this site. Lunch will be enjoyed here followed by a 2 hour drive into the Serengeti.

You will be staying at Conscorp Serengeti, Under Canvas. These are nomadic camps which are constantly moving within the Serengeti depending on the wildlife migration. These camps offer the highest level of luxury combined with the safari experience offering delicious Pan African meals and traditional bush dinners, Bedouin style tents with full

en suite facilities and outdoor bucket showers.

Days 8-9

Within this enormity of space we will explore various areas throughout the Serengeti National Park. Braying zebras, lions lazing along the waters edge or thousands of wildebeest passing through the vast plains creates an eye to eye encounter of untamed nature.

We will be starting our game drives at different times depending on animal movement. If one desires a sunrise game drive we will leave the lodge at 6 am, which drives will normally start at 8 am, returning to the lodge around noon to enjoy fine cuisine and refreshing drinks.

Afternoon drives will begin around three when the temperatures are cooler. Some days will be spent exploring the Serengeti for the entire day where we will enjoy packed lunches at one of the many picnic sites returning to the lodge in the evening. The drives will mainly focus on the "Kopjes" which offer the best opportunity of sighting game.

You will also have the opportunity to visit the Moru Kopjes where the Masai, prior to leaving the Serengeti used to conduct tribal ceremonies. Here you will observe Masai rock paintings and the Ngong rocks.

The game drives are aimed at showing you the diversity of flora and fauna found within the Serengeti.

Day 10

After breakfast, your Professional Guide will accompany you on the charter flight back to Arusha. Once in Arusha, you will be given the opportunity to visit Cultural Heritage where one can enjoy freshly squeezed juices while shopping for antiques, Tanzanite, authentic masks or hand-made sculptures.

A 3 day trip to Zanzibar Island is a great way to conclude this memorable week.
