Cameroon 2010

Cameroon Savannah Safari (January – February – March)

Our operator has an exclusive 500,000 acre region of the forested savannah, hills and mountains in the center of Northern Cameroon, near the vast Faro reserve. Game animals include **Lord Derby Eland** (100%), W. African Savannah buffalo, and W. Roan. The camp is set up in the center of the hunting area of a rocky overhang above the Faro River which divides the region. Accommodations are in permanent air conditioned structures with rooms, living room, dining room, bar and balcony overlooking the river. You will enjoy gourmet cuisine while you are hunting here with us.

Cameroon Rain forest Safari (May – June – July)

Our operator has an exclusive 300,000 acre region of the rain forest in Southern Cameroon along the vast Lobeke reserve bordering the the Congo and the C.A.R. Game animals include **W. Bongo** (100%), Forest Sitatunga, and Dwarf Forest Buffalo. The camp is set up in the center of the hunting area, where accommodations are in permanent air conditioned structures with rooms, living room, dining room and bar. Gourmet cuisine will also be a priority of this hunt just like our Savannah hunts.
