### *Duck Hunting*

In addition to offering top quality dove shooting services, we are proud to announce our recent expansion into the exciting, and also challenging, world of duck shooting.

Pampa is an exclusive lodge in the province of Buenos Aires, only 80 miles from Ezeiza International Airport, named after the typical large flat area of grass and crops where it is located.

The lodge is a newly renovated Argentine estancia, classically decorated and with modern conveniences. The house staff and guides work carefully to treat you with outstanding hospitality and professionalism. Set in a glorious countryside, Pampa produces fantastic shooting of the highest standards.

For those who appreciate shooting over decoys and behind a well-trained dog, Pampa's natural surroundings combined with pedigree sporting dogs provide the perfect opportunity for fantastic shooting.
