TEXAS

Hunt Packages - 2010 Price List		
Antelope Hunt	1x1 3 Days	\$ 2,500
<p>Hunts are conducted in the Northern Panhandle of Texas outside a town called Pampa. We have exclusive rights to a few private working cattle ranches in the area that will total about 50,000 acres of land that will only be hunted for Antelope. Average expectations on goats should be in the mid to upper 70's with some goats every year breaking the 80" mark. Includes: Lodging, Meals, Guide, Trophy Prep work in the field, and Texas Antelope Permit.</p>		
West Texas Mule Deer Hunt	1x1 4 Days	\$ 9,000
<p>This hunt will take place on a private ranch in far West Texas outside of El Paso. The ranch is approximately 50,000 acres and has been highly managed for Mule Deer the last 6 years. Expectations should be for a deer in the 180-190" range with 190+" taken every so often. Includes: Lodging, Guiding, Food and Trophy prep work in the field.</p>		
Whitetail Deer Hunts	1x1	\$ 1,500 & Up
<p>We have many different ranches across this great state of Texas that we conduct different types of Whitetail hunts on. Depending on what you are looking for in a deer, whether it be for a doe/meat hunt or a high fenced B&C Trophy, we have it all so don't hesitate to ask when, where and how much. We can handle all your Texas Whitetail Deer needs!</p>		
West Texas Aoudad Hunt	1X1 3 Days	\$ 4,200
<p>These hunts take place on a private 19,000 acre working cattle ranch that no one hunts really at all. Expectations on a mature ram should be around the 30" mark with a great chance at getting well over 30 if you work hard and take your time to hunt them. A few years back the ranch killed a 37" so the big monsters are here! Includes: Lodging, Food, Guiding, and Trophy prep work in the field.</p>		
High Fenced Ranches		
<p>We work very closely with some of the top high fenced operations in the state so if you are looking for that certain exotic species that you need on your wall we have a spot for you. Whether it be in the Hill Country, South Texas or even the Texas Panhandle we have species from native Whitetail deer to species as rare as African Bongo and Giraffes. Our ranches combined have over 60 different species from all over the world and many are World Records.</p>
